

Vuzix Smart Glasses Showcased at DHL's Americas Innovation Center Grand Opening

ROCHESTER, NY, September 13, 2019 – [Vuzix® Corporation](#) (NASDAQ: [VUZI](#)), ("Vuzix" or, the "Company"), a leading supplier of Smart Glasses and Augmented Reality (AR) technology and products, today is announcing that the Company's M-Series Smart Glasses were showcased at DHL's Americas Innovation Center grand opening in Chicago, IL on September 12.

"Vuzix is thrilled to be invited by DHL to provide demonstration units of our M-Series Smart Glasses for their Americas Innovation Center to showcase the efficiencies associated with increased picking rates using Vuzix Smart Glasses and Ubimax Xpick software," said Paul Travers, President and Chief Executive Officer at Vuzix. "DHL continues to be a worldwide leader in logistics and innovation and we look forward to continued collaboration with them as they promote the expanding use of AR products and technologies around the world."

The state-of-the-art 28,000 square foot DHL Americas Innovation Center provides a collaborative space for DHL to work with its customers, its technology partners, and academics, as well as tap the innovative power of its employees.

About DHL

DHL is the leading global brand in the logistics industry. Our DHL family of divisions offer an unrivalled portfolio of logistics services ranging from national and international parcel delivery, e-commerce shipping and fulfillment solutions, international express, road, air and ocean transport to industrial supply chain management. With about 380,000 employees in more than 220 countries and territories worldwide, DHL connects people and businesses securely and reliably, enabling global trade flows. With specialized solutions for growth markets and industries including technology, life sciences and healthcare, energy, automotive and retail, a proven commitment to corporate responsibility and an unrivalled presence in developing markets, DHL is decisively positioned as "The logistics company for the world". DHL is part of Deutsche Post DHL Group. The Group generated revenues of more than 61 billion euros in 2018.
