

## **Vuzix Announces Support for Skype for Business on its Full Line of Smart Glasses**

**ROCHESTER, NY, February 6, 2020** – [Vuzix® Corporation](#) (NASDAQ: [VUZI](#)), ("Vuzix" or, the "Company"), a leading supplier of Smart Glasses and Augmented Reality (AR) technology and products, today announced the commercial availability of a [Smart Glasses Connector for Skype for Business](#) application for the Vuzix M400 and the Vuzix Blade® Smart Glasses.

Skype for Business is a popular communications application with over 10 million users around the world. Skype for Business is built for both one-on-one and group conversations and works wherever its users are – via mobile, PC, and now smart glasses. Skype's messaging and HD voice and video calling help people share experiences and get things done with others.

"Skype remains a widely popular communications application among both individuals and businesses and our Smart Glasses Connector for Skype for Business application reflects the continuing expansion of our support for the world's most widely-used voice and video products," said Paul Travers, Vuzix President and Chief Executive Officer.
