SMART GLASSES

amazon alexa

Quick Start Guide

How to get Amazon Alexa on your Blade

- Download and set up your companion app on your iPhone or Android smart phone.
- Scan the QR code with your smart phone's camera app or download the "Vuzix Blade" app from the official Apple App Store or from Google Play.

Apple iOS App Store

Google Play

- Once installed, open the app and follow the prompts to link your Blade to your phone.
- Click on the Apps tab and scroll until you see the Alexa app and hit install.
- Once the install is complete, either open the app on your Blade and follow the instructions to link to your Amazon account or click on the settings icon next to the Alexa app and follow the instructions there.
