

Vuzix Blade AR Smart Glasses to be Featured at American Airlines Hack Wars VI Hackathon

ROCHESTER, NY, May 2, 2019 – [Vuzix® Corporation](#) (NASDAQ: [VUZI](#)), ("Vuzix" or, the "Company"), a leading supplier of Smart Glasses and Augmented Reality (AR) technology and products, is pleased to announce that the Vuzix Blade AR Smart Glasses will be featured at Hack Wars VI, an internal American Airlines hackathon taking place in Dallas, TX on May 3-4.

American Airlines Hack Wars VI brings together approximately 1,000 American Airline developers for 24 hours to collaborate, build and innovate. The Hack Wars VI challenge is focused on elevating the customer travel experience, boosting operational efficiencies and employee performance (baggage handling, gate agents, etc.), or enhancing American Airlines brand image with innovative hacks.

"The Hack Wars VI is a great event to support the American Airlines software development team to deliver new innovative customer experiences on the Vuzix Blade Smart Glasses. AR content delivered through Vuzix Smart Glasses can have a profound impact in so many areas within the aviation industry including bag handling and customer service on the ground and in the air," said Paul Travers, President and Chief Executive Officer at Vuzix.
