Companion App

Download and install the Vuzix Blade Companion App from the App Store or Google Play.

Once installed, tap Start Setup and follow the instructions on the screen to connect your iOS or Android smart phone with your Blade.

Vuzix App Store

Once linked to your phone, you can install Apps from the Vuzix App Store.

On the Apps screen in the companion app, click Store.

Once you login (or create an account if you do not have one) you will be able to install additional apps from the store.

Keeping Vuzix Blade Clean and Safe

Treat your Blade as you would any quality eyewear. It is mostly maintenance free and requires only to be wiped down periodically. Use only the included microfiber pouch or equivalent microfiber cloth.

CAUTION: Do not spray with cleaners. If required, use a microfiber cloth moistened with standard eyeglass cleaner. Avoid drips or spills. Solvents, household cleaners and paper towels should never be used on your Blade.

CAUTION: Do not pack loose objects in the zipper case with the Blade. Loose objects may rattle and cause damage.

CAUTION: Vuzix Blade is not water resistant. Avoid submerging and exposure to moisture. Excessive moisture will damage the Blade.
