Add prescription during Checkout

If you have your prescription with you can provide the information here on the checkout page.

Prescription Information

The screenshot shows a web browser window with the URL <https://www.vuzix.com/Checkout>. The page features the VUZIX logo and a navigation menu with items: Products, Solutions, Support, Contact, News, and Vuzix App Store. The main content area is titled "VUZIX BLADE Prescription Inserts" and includes the following elements:

- A checkbox labeled "I will add my prescription later." which is currently unchecked.
- A section titled "Prescription Type: Single Vision" with a help icon.
- A question: "Does your Prescription have a PD Number?" with radio button options for "Yes", "I don't know", and "No".
- A section titled "Upload Prescription Photo" with the text: "Please note that your file will be uploaded using a secured upload to have an optometrist verify your prescription". Below this is a red dashed box containing the text "Upload Prescription Photo" and the note "Accepted file formats: PDF, JPG, PNG".
- A checkbox labeled "I acknowledge that Vuzix Blade prescription inserts are non-refundable. Vuzix Blade® Commercial Edge however is refundable for up to 30 days in accordance with our [Standard Refund Policy](#)." which is currently unchecked.

1. Check if your prescription has PD number or not. If your prescription has PD number select Yes for the PD question and Select the PD number from the dropdown.

2. If your prescription doesn't have PD number or do not know where the PD number is, read the instructions to measure your PD from <https://www.vuzix.com/products/measuring-pd> and add your PD number.
3. Once you add your PD number you will be asked to add the sphere(SPH) information.
4. After sphere comes the Cylinder(CYL) and then Axis
Please note that the Vuzix only supports correction of Myopia so you will only be able to select negative values for sphere and cylinder.
5. Upload a copy of your prescription
6. Acknowledge that the prescriptions are non-refundable.
